Northeast District - Rules of Competition

INTRODUCTION

This document governs the structure for the CJSA Northeast District inter-club league play. The standing Competition Committee, as appointed by the Northeast District Board of Directors, processes all document changes. The elements of this document and any subsequent changes must be approved by the Northeast District Executive Board and distributed to member club presidents. All coaches, referees, team parents and administrators should read this.

Mission Statement of the Northeast District - Rules of Competition

The Northeast District (NED) of the Connecticut Junior Soccer Association (CJSA), affiliated with U.S. Soccer, U.S. Youth Soccer, FIFA and the USOC, is a non-profit educational organization formed to organize, advance and foster the sport of soccer for players under nineteen years of age in the Northeast District of Connecticut. Specifically, the mission of the **Northeast District - Rules of Competition** is to:

2. Give every player, coach and referee the opportunity to develop his or her skills to the highest level of the individual's ability.
3. Provide a level of competition commensurate with each participant's ability, interest and desire.
4. Provide a healthy, safe and enjoyable soccer environment for all participants.
5. Foster honesty, integrity and good will within soccer.
6. Provide educational opportunities to all players, coaches, referees and the community at large regarding the sport of soccer.

Overview of the Northeast District Competition

Northeast District Competition Committee

The Chair of the Competition Committee is appointed by the District VP and is approved by the NED District Executive Board including club representatives. Members of the Competition Committee are selected to represent Division IIIID, IV and V, DRA, Coaching Director, Americas Cup / U10 Tourney and the Summer High School League teams.

League Commissioners

League Commissioner(s) are required for Division IIIID, Division IV and Division V. These responsibilities are held by the respective District Officers as listed hereafter, subject to further delegation of duties. The Division IIIID coordinator is the District Premier Director. The Division IV coordinator is the District Select Director. The Division V coordinator is the District Recreation Director. Separate assistant commissioners for Boys and Girls are advisable for each Division.

NED Playing League Structure

Division IIIID (District) – Is a formally run district league offering the highest level of competition within NED. This league is intended for the strongest Connecticut Cup eligible club teams in the district to compete. Standings and results are maintained by the District and a league champion is recognized.

Division IV – Is a formally run district league strictly for Connecticut Cup eligible club teams where standings and results (*) are maintained by the Division Commissioner(s) and a league champion is recognized. The highest ranking team(s) earn the right to be promoted to the District's Division IIIID League in subsequent playing seasons. Division IV and Division IIIID leagues may be combined when an insufficient number of teams enter for any particular age bracket. (* - except for U9/U10 age groups)

Division V – Is a small-sided, developmental, non-results oriented league. Results are not maintained and each player plays in at least 50% of each game.

Summer League

This competition is considered to be a high school player tournament and the only requirement is for the club to ensure that the players are properly registered to an affiliated CJSA club and a roster validated by the Club registrar and/or President is available at each game.

District Jamborees

The NE District annually sponsors the U10 Jamboree for all U10 Division IV, Division V and in-house age appropriate teams that choose to enter. Teams compete in three shortened matches within a three hour span. No results are kept and each player is awarded a medal or trophy for participating. This event is typically held during the first weekend in November. The Marlborough Soccer Club has sponsored a District Division V Jamboree that same first weekend in November for U12 and U14 clubs, boys and girls. Other district events are posted on the NE District web site <http://northeastsoccer.org> and other state approved events are posted on the CJSA web site <http://www.cjsa.org>. A member club interested in hosting a district event must receive approval from the NED executive board, and apply for such approval 60 or more days in advance of the event. Applicants should use the state form for hosting a tournament and submit to the NED VP. No out of District teams/clubs are eligible to participate in district jamborees.

Out of League Play

League teams shall not play in-house teams FROM OTHER CLUBS/ TOWNS. It is the intent of this rule to prevent the play of "a season full of friendly matches" between the teams subject to this rulebook and another town's in-house intramural team without fulfilling district league obligations. Violators will be referred to the NED Disciplinary committee. Confirmation of any violation will result in an immediate suspension for the coach/ Assistant coach/ Team Manager or any registered adult who facilitates this competition. The Team will be on probation for the remainder of the playing season.

CJSA Indoor Tournament

The NED annually participates in the CJSA Indoor Tournament. The rules for participation are found in the CJSA Guideline book and are the governing rules of this competition. The NED requires that ALL rosters presented at the tournament be stamped as "Indoor Tournament" only. This tournament is typically held in the mid to late March timeframe. Attachment I describes the tournament playing rules for the NE District Indoor tournament typically held the weekend prior to the CJSA state tournament. Participating age levels include U12, U14, U16 and U19. U10 and U11 brackets will be hosted based on time available and are limited to intra-district competition.

Referee System

All matches shall use the three man refereeing system. It is acceptable for U9/U10 matches and the Division V competition matches noted hereunder to be refereed by a single referee. Clubs are reminded to NEVER use the two-man, two-referee system for ANY NED matches. In the event that one referee and one AR show up, an acceptable modification to the three-man referee system is to use the referee, one assistant referee (where the AR does not use a whistle) and one club linesman. It is encouraged to use two assistant referees in the small-sided situation in order to promote the development of younger referees or entry-level referees.

Code of Conduct, Players, Coaches, Adults, Parents, Clubs

Players, coaches, team managers, and parents shall comply with the NSCAA Code of Conduct found in Attachments D and E. The appropriate codes of conduct are to be distributed to every participating individual at the start of every playing season. The NED observes a Silent Sidelines weekend each playing season in conjunction with CJSA guidelines. All coaches, players and spectators shall comply with the Zero Tolerance Policy toward referees, found in Attachment Zero.

Order of Precedence

These rules shall be in full force and effect unless:

1. The club has a more restrictive rule, in which case that rule shall apply
2. CJSA has a more restrictive rule, in which case that rule shall apply.

Lack of knowledge of these rules will not relieve any Club President, Registrar, coach, team official, parent or player from the responsibilities and possible penalties herein. All clubs, team officials, parents and players, by their participation in the NED competitions, agree to be bound by these rules.

Interpretations and Appeals

Questions regarding rule interpretations must be forwarded electronically or by US Mail to the standing Competition Committee chair. The standing competition committee will address all questions within a timeframe appropriate to the issue. All decisions rendered by the competition committee must be circulated to the NED board of directors but are considered final.

Rule Changes

Rule changes will be taken under consideration annually by the standing Competition Committee for incorporation and approval by the April NED board meeting. All proposed rule changes must be submitted in writing or electronically by an NED member club president by December 1 of each year to insure review by the Competition Committee.

Division IIID

Division Play

It is the intent of Division IIID to provide the highest level of competition in the district. The league is intended to be a competitive environment for the strongest Connecticut Cup eligible teams. This document defines general guidelines for participating in this Division.

League Formation

There is a four-team league minimum. Failing to meet this minimum will mean that the league commissioner will use appropriate discretion to consider such actions as drafting one or more or all Division IV teams to join and other creative steps to form a viable league. There is a nine-team league maximum. Placement of teams into Division IIID is based upon strength and caliber of team. Teams that have earned a Division IIID spot through promotion from Division IV will be accommodated. Teams that have played Division IIID previously and avoided relegation will be accommodated. Strong teams can and should petition to enter Division IIID upon notification to play and such teams will be considered on a space available basis. The league scheduler will consider any evidence of past performance for petitioning teams to determine placement.

Ages

- Ages covered (Fall) = U11, U12, U13, U14
- Ages covered (Spring) = U11, U12, U13, U14, U16, U19
- Single age delineations are not guaranteed. The following “even” age groups will always be provided: U12, U14, U16, U19. It is the assumption of the registering club that in the absence of a league established in a given off age group (U11, U13, U15, U17, U18), the team will be placed in the next highest consecutive “even” age group.
- There is no minimum playing time requirement for this competition league.

Rosters

- Players rostered to a Division IIID team are not allowed to be rostered to any Division V team.
- Max Roster size: 22 players
- Rosters must be validated by Club Officer (Club President or Club Registrar) and the District Registrar or designated Assistant Registrar
- A team cannot play two age groups older without permission from Club President and League Commissioner.

Passes

- Passes are required for all players, coaches and team managers. Any number of adults may be associated with any one (1) Division IIID Team; however, the maximum number of adults on the sidelines for any match is four (4).

Match Logistics (follow CJSA guidelines but included here for clarity)

- Match duration for U11 and U12 is 40-minute halves and use a #4 ball.
- Match duration for U13 and U14 is 40-minute halves and use a #5 ball.
- Match duration for U15 thru U19 is 45-minute halves and uses a #5 ball.
- No overtimes are played for any regular season match.
- Home team wears pinnies or changes jerseys if both teams are wearing the same colors upon arrival at field.
- The NE District web site <http://northeastsoccer.org> has detailed rules, league standings, and all the coach contact information posted as soon as possible after the scheduling meetings.

Match Results

- Results will be kept. Results are to be reported by both coaches to the league commissioner or their designee by Monday night, 10:00PM immediately following the designated weekend of the scheduled match. Phone and/or email logistics will be distributed each season.
- Failure to report results shall result in a \$25 fine and repeated neglect can result in elimination from the League as determined by the Competition Committee.

Reporting Scores

Please report results of every match by Monday 10:00pm each week. Both teams are asked to report the score. For you busy coaches, this is a good task to delegate. Send results to the appropriate email address for your age group as posted on the district web site and circulated at the scheduling meeting each season.

Results and Standings

- **Scoring:** 3 match pts for a win, 1 match pt for a tie, 0 match pts for a loss
- **Standings:** Teams with the most Points (Pts) are ranked higher in the standings. The tiebreakers for determining league standing position at the end of the season are: (1) best adjusted goal differential (up to 3 per match); (2) least goals allowed; The tiebreakers for determining league champion if tied for most Pts are (1) head-head competition (2) best adjusted goal differential (up to 3 per match); (3) least goals allowed; and if still tied, then co-champs will be declared.
- AGD = adjusted Goal Differential (no more than 3 for or 3 against per match)
- **Blowout Penalty:** Team penalized 1 match point for any blowout win (win by seven (7) or more goals). Team penalized 2 match points for 2nd and subsequent "blowout" offenses.
- **Forfeiture Of Matches:** Any match forfeited will result in a win for the team that was scheduled to play, appeared at the field and had at least seven (7) players on the field at the designated playing time plus fifteen (15) minutes. The result will be recorded as a 4-0 win and the appropriate team will be awarded 3 Points for the win.

Sportsmanship

- The Competition Committee is extremely concerned about matches with very lopsided scores. Please take extended measures to keep from running up the score on an outmatched opponent. Play shorthanded, even several players shorthanded; play players out of position; Play 5 -10 touches before a shot is taken; stop taking shots completely. We have asked all club presidents to be more diligent in classifying the caliber of team so this shouldn't occur so much. Nevertheless, there will be a 1 match point PENALTY for any blowout win. This means you will be awarded 2 points instead of 3 for that match. A blowout win is categorized by a goal differential of seven (7) or more. Offenses beyond the first offense in one season will be penalized 2 points.
- Each league may additionally recognize one team for most outstanding sportsmanship. The referee and opposing coach will assess a sportsmanship rating to the team players, team coaches and team spectators. Please reference the sportsmanship policy for additional important details.

Promotion and Relegation

- Relegation is determined by the lowest placed team in the league standings. Relegation means that this team must surrender its standing in Division IIID in the subsequent playing season if the Division IV champion registers for or is placed into Division IIID play. Relegation status also qualifies a team to register for Division IV in the subsequent playing season.

Notification of Intent to Play

- Each club president must notify the league commissioners of the number of teams intending to play in this Division IIID.
- The club list must include the name of a coach or team representative, email address, phone number, age group and caliber of team. Reference attachment A for additional detail.
- The Deadlines for Notification of Intent to Play is August 1 for Fall play and the March NED Board meeting for Spring play unless otherwise advised by the League Commissioner.

Scheduling

- Scheduling will be handled through a scheduling committee consisting of or appointed by the District Competition Committee and League Commissioners.
- The scheduling committee will designate a place, date and time for the Division scheduling meeting.

- The schedule provided will include pairings, weekends to play, who is home/away, logistics for reporting scores and communicating standings weekly.
- A coach or team representative from EVERY team is expected to attend the scheduling meeting. The scheduling meeting is regularly used to finalize their schedule and review all match logistics such as directions to fields, kickoff times and team contacts. The scheduling meeting is further used to get a briefing on the NED rules of competition, the coach's code of conduct and any other information pertinent to the coaching community for that playing season.
- Each team is expected to meet the district obligation of play before scheduling any out of district matches.
- A missed game is subject to forfeiture of the club's entire \$100 performance bond. Changes to scheduled games must be arranged at least 72 hours prior to the scheduled kickoff, including notification of the league commissioner and opposing coach, subject to \$25 fine. Failure to report your score in a timely fashion is subject to a \$25 fine at the discretion of the league standings administrator and league commissioner.
- Each team must provide a \$25 league entry fee.
- Each club must post a \$100 annual performance bond subject to forfeiture for any occurrence of not showing up for a scheduled match; for not providing enough notice for a change in a match (at least 72 hours); for not reporting scores appropriately (by 10pm Monday following the match)
- Please reference Attachment A for logistics surrounding the scheduling meeting requirements.

League Commissioner

- The League Commissioner for Division IIID is appointed by the Competition Committee chair. At the discretion of the League Commissioner, separate assistant Commissioners may be appointed for the Boys league and/or for the Girls league.
- A league administrator for each age group will be appointed to record the match results and publish standings weekly.

Division IV

Division Play

It is the intent of Division IV to provide full-sided (*) formal and competitive play in the district in a results oriented format. The league is intended to be a competitive environment for the State Cup eligible teams within the district. The rules of competition for this division comply with those defined as noted below. This document defines general guidelines for participating in this Division.

League Formation

There is a four-team league minimum. Failing to meet this minimum will mean that the league commissioner will use appropriate discretion to consider such actions as combining even and odd age groupings into a single division or combining with the age appropriate Division IIID. In the event there are more than nine teams that enter, multiple round robin leagues will be established with equitable opportunity to compete for the league championship. Two teams from one club can enter into a single division only if one of the teams is comprised entirely of younger age age-specific players. In order to enter additional teams from a single club, the club president must petition the league commissioner for entry and will be accepted only if player registration in the age group supports such expansion.

Ages

- Ages covered (Fall) = U9*, U10*, U11, U12, U13, U14
- Ages covered (Spring) = U9*, U10*, U11, U12, U13, U14, U16, U19
- There is no minimum playing time requirement for this competition league.
- Single age delineations are not guaranteed. Even age groups will always be provided (U10, U12, U14, U16, U19). It is the assumption of the registering club that in the absence of a league established in a given odd age group (U9, U11, U13), the team will be placed in the next highest consecutive even age group. A minimum of 4 teams is needed to form a league.

(*) Division IV U10 Exceptions

U10 and U9 matches are played short sided, 7 versus 7. Match rule modifications for U9 or U10 Teams playing in this Division IV are set forth at the end of this section. Results are reported to the league administrator but no standings are kept.

Rosters

- Players rostered to a Division IV team are not allowed to be rostered to any Division V team.
- Max Roster size: 22 players for U11 through U19 and 15 players for U9/U10. No more than 13 players may dress for any U10 match.
- Rosters must be validated by Club Officer (Club President or Club Registrar) and the District Registrar or designated Assistant Registrar
- A team cannot play up two age groups older without permission from the Club President and the League Commissioner
- Players may be removed from a validated roster via transfer or release
- No more than 3 players on a roster can be younger than the two year age specific range (and none younger than U8)
- U8 Teams and younger are not allowed in Division IV

Passes

- Passes are required for all players, coaches and team managers. Any number of adults may be associated with any one (1) Division IV Team; however, the maximum number of adults on the sidelines for any match is four (4).

Match Logistics (follow CJSA guidelines but included here for clarity)

- Match duration for U11 and U12 is 40-minute halves and use a #4 ball.
- Match duration for U13 and U14 is 40-minute halves and use a #5 ball.

Standings are kept for ages U11 and older only. Phone and/or email logistics will be distributed each season.
- Failure to report results shall result in a \$25 fine and repeated neglect can result in elimination from the League as determined by the Competition Committee.

Reporting Scores

Please report results of every match by Monday 10:00pm each week. Both teams are asked to report the score. For you busy coaches, this is a good task to delegate. Send results to the appropriate email address for your age group:

Results and Standings

- **Scoring:** 3 match pts for a win, 1 match pt for a tie, 0 match pts for a loss
- **Standings:** Teams with the most Points (Pts) are ranked higher in the standings. Offenses beyond the first offense in one season will be penalized 2 points.
- Each league may additionally recognize one team for most outstanding sportsmanship. Please reference the sportsmanship policy for additional important details.

Promotion

- The clear league champion earns the privilege of being promoted to play in Division IIID in the subsequent seasonal league. In the event of co-champions, the competition committee determines promotion privilege. This may include negotiation with the teams, a playoff game, or a coin toss. The committee may bestow promotion privilege to both teams.

Division V

Division Play

This division is intended to provide a forum for play for the non-results oriented teams and clubs where enrollment cannot support a full 11-aside team. The primary objective is a fun, developmental, non-results oriented event marked by good sportsmanship and a tolerable travel scenario (0 or 1- far distance; 1 or 2- near and 4 + Home). A mandatory playing time minimum of 50% game time for each player (except for discipline or injury) emphasizes the goal of maximizing participation and player development. Leagues are formed for Girls and Boys. Co-ed teams are encouraged and assigned to the Boys leagues. A club fielding 3 or more Division V teams in a single age group should consider assembling a Division IV team. Efforts are made by the scheduling committee to match stronger skilled teams together (ex. Otherwise competitive teams playing numbers down) and weaker skilled teams together.

Ages

- Ages covered (Fall) = U10, U12, U14, U15 (U16, U19)
- Ages covered (Spring) = U10, U12, U14, U16, U19
- Each player must play at least 50% (Exception is Injury or Discipline)

Rosters

- Players rostered to Division III or IV teams are NOT allowed to play in Division V.
- Max Roster size: 16 but you must meet the 50% playing time minimum at each match.
- No more than 3 on roster can be younger than the two-year age specific range.
- Players are permitted to roster to multiple Division V teams within a club.
- The recommended roster maximum is 12.
- Validated rosters are required.
- Rosters must be validated by a Club Officer (President or Registrar). Club Officer maintains a copy of all rosters.
- All coaches and club registrars are educated on the player eligibility requirements prior to each playing season.

Team Size

Division V Player Eligibility

Players on teams playing in the NED Division V league MUST be properly registered with CJSA and rostered to one or more Division 5 teams within the club. Players rostered to any district Division III or IV team are not eligible to play with a Division 5 team at any age level. Players rostered to any state Division I, II, III team are not eligible to play with a Division 5 team at any age level.

All Adults in the Division V will use the annual USYSA Pass, validated by the NED Registrar, or designee.

Rosters will be generated by the respective clubs and signed by either the Club President or the Club Registrar attesting to the proper registration of said player. The club registrar must hold a copy of every roster validated for the club. The coach must present the roster to the opposing coach prior to each match for inspection in the presence of the referee. Upon request, any roster can be inspected by the Division V League Commissioner(s).

The template for the Division V club roster can be found at <http://northeastsoccer.org> and downloaded as a Microsoft Word form.

All Division V coaches will be instructed on the player eligibility rules and process for insuring conformance at the seasonal scheduling meeting. Complete instructions are included as part of the Division V roster form as a reminder. The coach instruction is mandatory at the scheduling meeting prior to each season. The instruction reviews the Division 5 playing rules and the Division 5 club roster and pregame player/roster inspection process. The instruction emphasizes the need to enforce the rules and the nature of the exposure to coaches, club and league officials when ineligible players are allowed to participate. Violations reported are subject to review by the disciplinary committee. The entire club will be placed in bad standing upon repeat occurrences, at the discretion of the disciplinary committee, and therefore affecting the eligibility of any teams to participate in district competitions at all levels.

Sportsmanship:

- The Competition Committee is extremely concerned about matches with very lopsided scoring or grossly uneven play. It is mandatory that play adjustments be made if the score differential is 4 or higher. The type of adjustment(s) made is at the coaches' discretion. Some suggested adjustments are; play a player down at 3-0, play 2 down at 5-0, 5 passes before going forward, all players have to touch ball before going forward, put high scorer in goal, change forwards to defense and defense to forwards, limit attackers to 2 or 3 over mid-field as situation dictates. GK cannot play ball with hands except for saves, GK can only hand feed the balls into own half, etc. Please take extended measures to keep from running up the score on an outmatched opponent.
- Each league may additionally recognize one team for most outstanding sportsmanship. Please reference the sportsmanship policy for additional important details.

Scheduling Process

Logistics for managing the scheduling process for a season are outlined here. The objective of the scheduling process is to establish a fair and competitive schedule, communicate all match logistics and rules, and to insure the season runs as smoothly as possible.

1. Clubs submit request for team entry into each Division by appropriate deadline. The appropriate deadline for the Spring playing season is the March NE District meeting. The appropriate deadline for the Fall playing season is August 1. It is incumbent on the club representatives submitting their roster of teams to accurately profile the caliber of each team to insure fair scheduling.
2. Scheduling coordinators form leagues from team applicants, create an 8-week schedule for each league; identify home/away team for each match; and assemble a consolidated contact list for distribution at the scheduling meeting and publication on the NE District web site.
3. The date, time and place for the appropriate scheduling meetings is set, announced and published on the NE District web site. One scheduling meeting is used for Division III and Division IV Boys; one for Division III and Division IV Girls; and One for All Division V (Boys and Girls).
4. Every team must send a representative to the scheduling meeting. The representative should sign in at the door, pick up all paperwork that will be used at the meeting and sit at the appropriate table for their age division. Each representative attending the scheduling meeting must have the following in hand for distribution:
 - Specific date and times every weekend for home field availability, or bring your field coordinator
 - Team point of contact and second contact including home telephone number, work number, mobile phone numbers and e-mail addresses – Exchange/Validate this contact information at the scheduling meeting
 - **In addition to any coordination you accomplish at the scheduling meeting, always call one week in advance to confirm the details of the match(es) for the next weekend.**
 - Color of Home and Away jerseys
 - Maps and directions to the fields that the matches will be played on – approximately 12 copies
5. The League Commissioners will facilitate the meeting. The commissioners will review league rules, coach and player pass requirements, reporting requirements and logistics, sportsmanship expectations and techniques, and coach and player codes of conduct. It is appropriate to engage the District Referee Administrator and Registrar for these reviews.
6. Team representatives establish a date, time and place for each scheduled match, and exchange contact information with the other representatives at the table. A master schedule for each table must be completed and reviewed by the league commissioner before anybody can leave the meeting. At the end of the scheduling meeting a copy of each teams schedule must be given to the commissioner(s) for that league.
7. The teams / clubs are further responsible for notifying their local referee assignor to insure a referee team is assigned to cover each home match.
8. All Division V coaches and club registrars will be provided mandatory instruction at each scheduling meeting. The purpose of the instruction is to review the Division V playing rules and guidelines, pre-game roster inspection process, and player eligibility requirements.

No NED team may schedule matches outside the District UNTIL the district league schedule is established (including play dates, times and places). It is the intent that all clubs and all team will give scheduling priority to the Northeast District, NED clubs and teams prior to scheduling any matches with clubs from other Districts, other District teams not a part of the district league schedule, or teams from other National State organizations. Any violation of this rule or the spirit of this rule will be brought to the attention of the Commissioners of the league and appropriate sanctions will be imposed.

Remember: In addition to any coordination you accomplish at the scheduling meeting, always call one week in advance to confirm the details of the match(es) for the next weekend.

SUPPORT FOR REFEREES - ZERO TOLERANCE POLICY

Every person responsible for a team and each and every spectator and player will respect the authority of the referee. This respect is essential to the proper play of the game, the development of our players and the retention of quality, experienced referees. Failure to respect the authority of the referees, especially by the person(s) responsible for the team, undermines the authority of the referee, sets a bad example for everyone else, especially the players, and can rapidly lead into a hostile, negative game environment where playing the game of soccer is no longer the focus of the activity. This is entirely inconsistent with the sportsmanship goals that the Northeast District is trying to promote. Therefore, the basic rule is that spectators and persons responsible for the team will not address the referee at all before, during, and after a match. The prohibitions, exceptions, the penalties for violation, and policy execution are described as follows:

A. PERSONS RESPONSIBLE FOR A TEAM

With the exception of responding to a communication initiated by a referee, making a substitution, or pointing out an emergency safety issue during the play of a match, the persons responsible for a team should not say anything to a referee. Nor should they do anything that conveys in any way any criticism of the referee. Coaches may ask questions before the start of play or direct questions properly through their captains, but may not approach the referee at halftime or at the end of the match. **Coaches who have concerns about a referee's officiating may express those concerns verbally or in writing to the District Referee Administrator (DRA). They may not express those concerns to the Referee.**

The Northeast District recommends that the referee deal with infractions of this rule in the following manner:

1. Instances of infrequent and reasonably low key dissent can be ignored.
2. The first instance of persistent dissent is to be acknowledged with a verbal warning. The second instance will result in the coach's dismissal from the field. Coaches are not to be issued a card of any kind, but a referee must clearly indicate
3. Player dissent is to be dealt with according to FIFA law.

B. SPECTATORS

With the exception of responding to a communication initiated by a referee, or pointing out an emergency safety issue, spectators will not say anything to a referee. Nor will they do anything that in any way conveys criticism of the referee. The Northeast District recommends that the referee deal with infractions in the following manner:

1. Infrequent or reasonably low key dissent can be ignored.
2. At the instance of the first infraction of persistent dissent, the referee will stop the match and ask the person responsible for the team to quiet the offending spectator.
3. At the instance of the second infraction, the referee will stop the match and inform the person(s) responsible for the team that the spectator must immediately leave the match and surrounding area. Failure to comply will result in the match being abandoned. The referee will file the necessary reports and send them to the DRA, who in turn will forward them to the District VP.
4. Due to the age and experience of some officials, they may need the assistance of responsible people to help if the spectator is not affiliated with either team.

C. UNBECOMING CONDUCT

If a member or members of a team, any persons responsible for a team, or a team's spectators engage in unbecoming conduct before, during, or after a match, they will be subject to discipline by the N.E. District Discipline Committee. This discipline can include suspension of the entire team from their next scheduled match.

D. POLICY EXECUTION

Clubs are directed to post signs at all fields at places where coaches and spectators gather and can read publicizing the nature of the zero tolerance policy.

Sportsmanship Techniques

At every level of play in our district, in our game, in all our games, sportsmanship can make every encounter we have with other players be an enjoyable one. The following are some ideas for coaches, players and fans to carry with them to demonstrate good sportsmanship. Emphasize sportsmanship by example. Respect the authority of the referee. While the referee will make mistakes just like the players will, complaining about missed calls delivers a very counterproductive message to our kids that such behavior is acceptable. Please don't argue with the referee, coaches or other players as it detracts from playing the game. Please keep your instruction from the sideline positive and encouraging. Encourage spectators to do the same. The kids and coaches shake hands with the opposing team after EVERY match. It is also a nice gesture for the captains to shake hands with the referees and thank them for a job well done. Your demeanor visibly reflects on yourself, your team, your club and your town. Display exemplary decorum at all times. Please leave good impressions all over the state!

Sportsmanship:

The Competition Committee is extremely concerned about matches with very lopsided scores and/or grossly uneven play.

Please take extended measures to keep from running up the score on an outmatched opponent.

Play shorthanded, even several players shorthanded;
Play players out of position;
Play 5 -10 touches before a shot is taken;
Stop taking shots completely.
Play a player down at 3-0, play 2 down at 5-0,
Require 5 complete passes before going forward,
All players have to touch ball before going forward,
Put high scorer in goal,
Change forwards to defense and defense to forwards,
Limit attackers to 2 or 3 over mid-field as situation dictates.
GK cannot play ball with hands except for saves,
GK can only hand feed the balls into own half.
Be discrete about playing shorthanded or not shooting;

Please take extended measures to keep from running up the score on an outmatched opponent.
